8 Ranganayaki Naidu was granted three months privilege leave combined with three months leave without allowance with effect from the 15th February 1911 as it was represented that he had very good chances of getting a higher pay viz Rs: 30 p.m. (he was drawing Rs 20/- p.m. in the B.C. Jail) with expectations of rising to Rs: 60/- p.m.

9 On the 15th August 1911 a requisition from the Director of the Indian Institute of Science in which it was stated that Ranganayaki Naidu had "already been of very considerable service to the Department of Applied Chemistry and we should like to have the benefit of his service for another six months" the extension of the leave asked for was not agreed to Ranganayaki Naidu firstly because the poor man would lose the prospect of rising to Rs: 60/- p.m as was represented by him and secondly on the score of giving the services of a man who had been considered post & useful by the Director of the Institute.

10 After one full year's personal observation it was opined by Mr Norman Rudolf that Ranganayaki Naidu was doing

useful work in the department of Applied Chemistry". The request-hesper to further extend Ramjeevanmay Naidu's leave so that Mr. Rudolf might have the benefit of his services for a further period of six months" has considered by me is not doing proper justice to an admittedly useful & capable official and that it was unfair to those in the B. C. Jail who had got Simla Secretariat promotions.

11 I therefore refused the grant of any further extension of leave & pointed out that the best consideration that could be shown to him (R. Naidu) was confirmation in his appointment in the Institute.

12 I think that securing a useful clerk's services Line-Die by the Institute on temporary tenure is not just to the poor individual who accepting will lose chances of promotion in the Central Jail, on whose permanent establishment he is borne, nor would it be just that those who have got Simla promotions owing to R. Naidu being on leave should revert to their former places after sweating for four years on false hopes of their paltry increments being permanently secured to them. It is a thin pounds that I refused extending the leave.

13 Even now I think that appreciation

The Chief Secretary
to the Government of His Highness The Maharaja of Mysore
General and Revenue Depat.
BANGALORE.

Sir,

I have the honour to bring the following case to the Government of His Highness The Maharaja of Mysore for favourable consideration.

My clerk Mr. R. Rungaswamy Naidu holds a permanent appointment in the Bangalore Central Jail Establishment, from which he is on leave since he has been employed in the Department of Applied Chemistry of Indian Institute of Science. His leave expired on 15th February 1912 prior to his leave being expired I made a reference to the Superintendent Central Jail to grant him an extension so that he may continue here (copy of same is enclosed for perusal) but the Inspector General of Prisons to whom my reference was sent up for orders refused to grant the extension of leave.

I appointed Mr. R. Rungaswamy Naidu as my clerk and gave him training in different lines ever since the Applied Chemistry Department was organised and it was my desire to train up a young man, who holds an appointment under the Mysore Government for this work.

As my efforts in this direction would be in vain were he at this time to revert to his permanent appointment, in the interest of this Institute which is chiefly aided and contributed to by the Government of His Highness The Maharaja of Mysore, I desire that his services may be lent to this Institute for a period of three (3) years, and I would request you to be so kind as to sanction the transfer of his services under article 409 of the Mysore Service Regulations. He is prepared to pay the contribution required under Act 411 and of course the pro-

visions of chapter XX111 of Mysore Service Regulations will be applicable as regards increase of pay, leave etc. in his case.

Sir,

With reference to your letter No.720 dated 17-8-1911 informing that an extension of six months leave without allowances has been sanctioned to Mr.R.Rungaswamy Naidu, munshi of your Jail, I have the honour to request that you will be so kind as to grant Mr.R.Rungaswamy Naidu a further six months leave. Mr.Rungaswamy Naidu is doing useful work in the Department of Applied Chemistry and I should like to have the benefit of his services for a further period six months.

I am aware that the Mysore Government passed Proceedings on 20th April 1911 that such leave as that now requested for Mr. Rungaswamy Naidu will only be granted in very exceptional circumstances, but I presume that no objection will be taken in the present instance, as this Institute is aided and contributed to by the Government of His Highness the Maharaja of Mysore.
